

October 2018 IPC President's Message

Greetings Link Sisters,

Some members of Inglewood Pacific attended and supported the celebration in honor of Link Micaela LeBlanc as the Fourteenth Supreme Lady of the Knights of Peter Claver Ladies Auxiliary. The Church Service and the breakfast were outstanding. Several churches participated in organizing and in attendance as well. Link Micaela received a bouquet of white roses during the breakfast.

For the Leadership Summit in Newport Beach, we had 12 members in attendance. Link Nancy Rahim and I handled registration for two shifts. The National President flew in for the day and addressed the opening meeting that afternoon. Later that evening, there were several awards given out and Inglewood Pacific was the recipient of *"Most Improved"* Chapter from the Western Area Organizational Effectiveness Team. We turned in more than 50% responses to the most recent survey and we will hear our results from the Chapter's OE Team at the November meeting.

I want to thank Link Cameron Brown Jones for representing us at the Beverly Hills West Green and White Gala. Their fundraiser featured a 17-piece orchestra and was a tribute to Jazz.

Lastly, the chapter congratulates Link Brenda Penny Gainer who has served with dignity as a Commissioner in the courts, who was recently appointed as a Judge. Link Marguerite Downing represented us at the swearing in and presented her with White Roses on behalf of the Chapter.

The Fund Development Committee has begun meeting. Every member of IPC is a committee member. We have a regularly scheduled meeting for the second Thursday of the month except February (Valentine's Day) and the month of August at the Doubletree by Hilton. We are looking for a location that can accommodate a minimum of 50 tables and a dance floor that is at least 24 x 24. We also discussed the previous event fundraisers since the 1980's to the present. The committee will bring a recommendation forward at the October meeting. At the November meeting, we will vote on the location for the event. If you are planning to attend, please let me know so we can have enough agendas.

We have a big task facing us in less than two weeks, mid-term elections and the propositions. Please get educated on the propositions and encourage your friends and family to vote early or go to the polls. If we don't vote, we have nothing to complain about.

Sisterly,

Leslie Ortichie
IPC President
