## AS WE GATHER TOGETHER

*As we gather together today, let us remember to be Loving  
As we gather together today, let us remember to be Inspiring  
As we gather together today, let us remember to be Nurturing  
As we gather together today, let us remember to be Knowing  
As we gather together today, Let us remember to be Sincere  
While we are together today, let us uphold our creed  
While we are together today, let us care for those in need  
While we are together today, let our good will overflow  
To please the One who sits on high, and watches us below*

*When we leave this place today  
May we take with us our plans  
When we leave this place today,  
May we say in one proud voice “ WE CAN”  
When we leave this place today,  
May God’s grace never cease  
As we pray for hope and humanity  
To **LINK** the world in peace*
