

IPC President's Message April 2018

Greetings Link Sisters,

Let me begin by saying that Inglewood Pacific Chapter has an awesome group of six outstanding candidates for membership. On Saturday, April 21st, the candidates were able to conduct their service project through an Integrated Program: Services to Youth (lead Facet), Arts and Health and Human Services. The candidates collaborated with the Urban League, Raytheon and Northrop Grumman. With a very quick turnaround time, we were able to have our logo placed on the flyers and other collaterals as a sponsor. The event was held at Locke High School in South Los Angeles. Link Cameron Brown Jones was on hand with the candidates for the day-long event.

We are gradually winding down as we close another organization year. Please begin to put your year-end reports together. As for Finance, all outstanding receipts must be turned in on Saturday, April 28th with the voucher. All checks will be completed before the 30th. Receipts not turned in by the deadline will be considered a donation. ☺

The Induction of Honorary Member Kamala Harris was very nice. We had about fourteen members present. We presented her with a gift, a silver engraved frame. I extend my thanks to both Jackie Kimbrough and Rhonda Cotton for their brainstorming on a gift.

Invitations for the Induction Luncheon will be available at the meeting. We are going to be at the Marina del Rey Hotel on Bali Way in Marina del Rey, CA. Each member will receive 5 invitations. The tickets are \$90. Valet parking is \$10. We have 100 tickets to sell. We have encouraged the candidates to focus on their table. Please make every effort to invite a friend or two to the event.

With the Deck, you will receive the Proposed Bylaws and Standing Rules Recommendations. Please review them carefully. If you have any questions, we will address at the May meeting before we vote. If you need clarification, please contact Link Susan Houze (outgoing Chair) or Link Denise Downing (incoming Chair). We will address Bylaws at the top of the May agenda.

We have some exciting activities coming up in the next couple of months. A sheet will be circulated regarding the upcoming stage production of "Ain't Too Proud to Beg," which is the story of the Temptations. This will be an outing in early September and also a great activity to bring your Connecting Link out to as well. We also have on the calendar the "End of the Year Party in June, another "Happy Hour" and movie night.

If you want to attend National Assembly, it is not too late to register. Registration has been extended for two more weeks.

Congratulations to our incoming and returning officers: Link Susan Houze, First Vice President; Link Krishna Tabor, Recording Secretary and Link Rhonda Cotton, Financial Secretary. These ladies will be installed on Saturday, April 28, 2018, at the meeting.

In closing, even though it is two weeks away, please have a wonderful Mother's Day.

Sisterly,
Link Leslie
